Lenoir Chandelier

By Visual Comfort Studio

Description

The Lenoir Chandelier by Christiane Lemieux expands the collection's sculptural presence into a commanding scale. Its inverted bowl form, suspended from linked chains, becomes a floating basin of light a masterclass in contrast with its exterior and luminous core. Inspired by the French 1930s pursuit of purity and proportion, this chandelier is ideal for dining rooms or open living spaces, where its architectural clarity and artisanal finish create a focal point of quiet sophistication.
