Chopin LED Illuminated Mirror By Visual Comfort Studio

Description

The Chopin Rectangular Mirror stands as the most expansive profile in Kate Spade's Chopin Collection. With integrated LED lighting and selectable color temperatures, it delivers both architectural presence and functional clarity. Ideal for large bathrooms, dressing rooms, bedrooms, or entryways, this mirror transforms reflective surfaces into sculptural statements where scale, technology, and timeless design meet. Integrated touch dimmer on mirror surface. Note: All hardware included for easy installation and mounting vertically or horizontally for a customized look.
