Ritz Chandelier

By Visual Comfort Studio

Description

Designed by Paloma Contreras, the Ritz Chandelier embodies timeless elegance through sculptural form and classic detailing. A delicately reeded band, inspired by traditional architectural millwork, encircles the silhouette with quiet sophistication. A frosted silk screen glass diffuser softens the light, casting a warm, ambient glow. Reflecting Contreras' modern take on traditional design, this chandelier brings refined texture and subtle glamour to dining rooms, living rooms, kitchens, bedrooms, or entry foyers.
