Candace Chandelier By Visual Comfort Studio

Description

The Candace Chandelier by Kate Spade is a bold expression of the collection's sculptural elegance and material richness. A layered cascade of interlocking textured glass discs creates a sense of movement and depth, while diffusing light with a soft, radiant glow. The generous scale makes it ideal for dining rooms, great rooms, foyers, and bedrooms, where its luminous presence becomes a focal point. With its refined geometry and thoughtful detailing, this chandelier brings a striking yet balanced presence to larger spaces.
