Chloe Chandelier By Visual Comfort Studio

Description

The Chloe Chandelier by Chapman & Myers brings sculptural elegance and botanical inspiration to larger interior spaces. Drawing from the delicate forms of flower blossoms, this statement piece features tiers of custom white glass petals crafted from white cased glass softening the light and creating a gentle, ambient glow. Its scale and layered silhouette make it ideal for dining rooms, living rooms, foyers, and bedrooms, where its organic form and refined craftsmanship serve as a visual centerpiece. As part of the Chloe Collection, it balances natural beauty with architectural clarity, offering a chandelier that feels both expressive and timeless.
