Bellecour Ceiling Light

By Visual Comfort Studio

Description

The Bellecour Ceiling Light by Christiane Lemieux reinterprets the collection's luminous geometry for lower ceilings and intimate spaces. Its vintage gilded frame and honed crystal beads diffuse light in a soft, flattering glow evoking the quiet glamour of late Art Deco interiors. This flush mount is perfect for bedrooms, hallways, or smaller dining areas, where its sculptural presence introduces serenity and elegance. Bellecour transforms functional light into a poetic gesture glamorous enough for evening, serene enough for day.
