Chatsworth Wall Sconce

By Visual Comfort Studio

Description

The Chatsworth Sconce by Alexa Hampton distills the collection's sculptural elegance and modern traditional sensibility into a compact wall-mounted form. Featuring expansive curves and gentle slopes, the sconce flows organically from its arm to its base, echoing the collection's signature soft canopy transitions. Hampton's design language classic yet current, structured yet fluid is fully realized in this refined silhouette. Ideal for hallways, bedrooms, bathrooms, and walk-in closets, the sconce brings a subtle yet elevated touch to personal and shared spaces alike.
