Cleor Bath Sconce

By Visual Comfort Studio

Description

The Cleor Bath Sconce by Christiane Lemieux takes its name from Cl d'orthe golden key to refined illumination. Inspired by the pared geometry and quiet glamour of 1930s Parisian interiors, this design transforms the wall plane into an illuminated sculpture. Its rectangular volume of faux alabaster, a sustainable alternative that mirrors the veining of natural stone diffuses a calm, ambient glow. Optional pull chain included.
