Dorelle Chandelier

By Visual Comfort Studio

DAMP

Description

The Dorelle Chandelier by Christiane Lemieux offers the collection's most expansive interpretation of French modernist glamour. Its sweeping, palm-like arms diffuse light upward and outward for a cinematic glow, while fluted brass detailing and a layered, hand-gilded finish recall the artistry of interwar Paris. This chandelier is designed for statement installations in dining rooms or open living spaces, where its golden bloom becomes a focal point of architectural elegance. Crafted with care and subtle variation, Dorelle brings warmth and sophistication to contemporary interiors.
