Dorelle Ceiling Light

By Visual Comfort Studio

Description

The Dorelle Ceiling Light by Christiane Lemieux reinterprets the collection's sculptural elegance in a form suited for lower ceilings or intimate spaces. Inspired by the ateliers of 1930s and 40s Paris, its palm-like arms and fluted brass detailing evoke the glamour of French modernism, while the layered, hand-gilded finish glows like antique jewelry under candlelight. This flush mount delivers warmth and quiet drama without ostentation, merging nature, fashion, and architecture in a design that feels timeless yet modern.
