Maroux Bathroom Vanity Light By Visual Comfort Studio

Description

The Maroux Bathroom Vanity by Christiane Lemieux reinterprets the collection's architectural clarity for bath environments. Its glass shade offers diffused, flattering illumination, while the dual-finished mount introduces a tactile interplay of warmth and weight. This vanity fixture is ideal for single-sink installations or paired arrangements, where its disciplined geometry and hand-finished metalwork bring quiet sophistication. Inspired by the French interwar masters of minimal ornament and maximal effect, Maroux transforms functional light into a sculptural statement.
