Pente Table Lamp

By Visual Comfort Studio

Description

The Pente Table Lamp by Hable brings bold, sculptural presence to interior surfaces with a rounded ceramic form and dual facades that catch and reflect light. A natural oval linen shade softens the glow, creating a warm interplay between texture and illumination. Rooted in Hable's history of hand-shaped ceramics, the lamp offers a refined balance of simplicity and depth. Ideal for bedrooms, living rooms, dining rooms, or foyer consoles, the Pente Table Lamp embodies quiet luxury through expressive form and material. On/Off switch on socket.
