By Visual Comfort Studio

DAMP

Description

Compact and refined, the Savina Pendant by Chapman & Myers distills the collection's material story into a smaller-scale fixture. Its hand-crafted mineral opaline shade features subtle veining that mimics the natural character of alabaster, creating a soft, ambient glow. Supported by a minimal metal frame, the pendant is perfect for kitchens, hallways, studies, and laundry roomswhere its understated elegance and artisanal quality add depth and texture without overwhelming the space.
