Serafina Pendant

By Visual Comfort Studio

Description

Serafina Pendant by Hable brings a refined botanical presence to overhead lighting. Inspired by the silhouette of a dried ceramics, its sculptural form is crafted in combed glass echoing the tactile beauty of Hable's handmade ceramics. The pendant casts a soft, ambient glow, balancing organic texture with modern restraint. Whether illuminating a kitchen island, dining room, hallway, or foyer, the Serafina Pendant offers a quietly sophisticated expression of nature and craftsmanship.
