Sesha Outdoor Wall Light

By Visual Comfort Studio

Description

A statement of strength and adaptability. The Sesha Wall offers a substantial presence for larger outdoor spaces, crafted in StoneStrong to withstand the elements without compromise. Each fixture ships with clear and etched white glass panels, empowering you to define the aesthetic crisp clarity or gentle diffusion. Its LED light source provides consistent, glare-free illumination calibrated for expansive exteriors. Built to endure. Designed to adapt. Made to illuminate with purpose. Note: Includes both clear and etched white glass panels for optimal customization and tailored light diffusion.
