Archipen Lounge Chair By Noom Home

Description

The Archipen Lounge Chair with armrests expands the Archipen Collection, a sculptural family defined by architectural clarity, calm geometry, and exceptional comfort. Handcrafted from solid ash using a refined blend of traditional and modern woodworking techniques, the chair showcases precise joinery and clean, architectural details from every angle. Its generous seat, softly curved backrest, and wide multifunctional floaty armrests offer natural support for long, relaxed sitting. The armrests also serve as a convenient surface for a cup, book, or small personal items. Seat height is 16.5 inches. Designed for residential, corporate, and hospitality interiors, the Archipen Lounge Chair pairs seamlessly with the Archipen Chair and the Archipen Coffee Tables.
