Yuyun Small Pendant By Bover

Description

The Yuyun Pendant is the perfect solution for lighting stairways, lobbies, foyers, or any high-ceilinged space in need of both illumination and a decorative accent. Each of Yuyun's stacked shades is handwoven with a continuous cotton thread for a warm, earthy look with a rich texture. This version of the pendant is available with either a surface mounted canopy housing the driver or with a round coverplate and a remote driver, and a choice of a TRIAC, 0-10V, or DALI dimmable driver.
