Bicoca Cordless Table Lamp - Overstock By Marset

Description

Bicoca Table Lamp is born with the optimism of brightening life and accompanying the good times, wherever you go. This lightweight, polycarbonate portable lamp emits a soft light, adding warmth to your space. Three separate accessories increase the applicability and versatility of the lamp. A powerful magnet can be affixed to the bottom of the fixture, allowing you to place it to metal surfaces -even vertical walls- defying gravity. An armchair accessory drapes over armrests, sofa backs, or headboards, so you can bring your Bicoca to all your personal reading spaces. And a metallic disc accessory hides discreetly beneath the tablecloth, securing your Bicoca to the table. Battery operated with a charging time of 10 hours and usage of 5 hours in peak power, 10 hours in half power, and 20 hours in quarter power.
