Ama Multi Light Pendant By Bomma

Description

The Ama Multi Light Pendant features a grouping of oblong glass diffusers and globe shaped LED light sources that evokes the image of a mussel clutching a treasured pearl. The pendant's crystal portions are crafted through a process developed in-house by Bomma's skilled artisans in which layers of heated glass are gradually melted into a conical mold and then precisely cut into shape. This process results in a rich texture and slight irregularities and variations that indicate the piece's unique craftsmanship. Includes Universal driver dimmable with TRIAC, ELV and 0-10V dimmers. Note: Requires additional ceiling support for fixtures weighing over 50 lbs.

Specifications

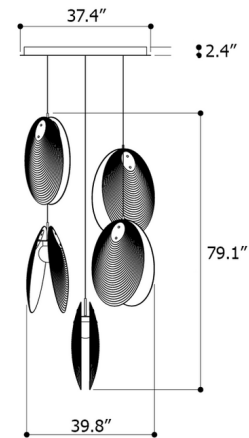

COLOR	Bronze / Clear / Smoke Mix
