Dew Drops Chandelier

By Bomma

Description

The Dew Drops Chandelier is inspired by droplets of condensation sparkling on a thin blade of grass. This fixture features glass shades lit by an internal light source supported by a linear strap in either genuine or faux leather, offering an exceptional aesthetic experience. A variety of configurations are available with both illuminated pendants and decorative straps without lights, allowing for the creation of dazzling custom displays. TRIAC, ELV and 0-10V dimming. Note: Custom vegan leather colors and metal finishes are available upon request. Please contact us for more information.
