De Castelli X Pyrite Linear Multi Light Pendant By Bomma

Description

The De Castelli x Pyrite Linear Multi Light Pendant brings together exceptional design and top-quality materials. By blowing a molten organic substance into a precise cold form, the skilled hands of glassmakers create a unique light fixture of elemental, yet perfect shape. In this collaborative effort with renowned Italian metalworks De Castelli, each pendant features clear crystal glass cubes enclosed from three sides by hand-brushed DeOpale brass and its remarkable chromatic oxidation. Includes canopy in white finish, power supply and 98.4 inch cord lengths. Cords can be pre-cut to varying lengths (see attached manufacturer installation instructions for more information). TRIAC or 0-10V dimming.
