## Grasshopper Table Lamp By Currey & Company

### Description

The stylized insect on the Grasshopper Table Lamp plays hide and seek. Look the lamp from the front and you see its lively form; look it from the side and it seems to camouflage itself. The body of the lamp and the twig finial are made of cast aluminum to look like a stylized sapling. The bronze gold finish mimics the deep tones of tree bark. 3-Way switch on socket.

Shown in bronze / natural linen
