Seychelles Chandelier

By Currey & Company

Description

Inspired by laid-back island life, the Seychelles Chandelier embraces natural textures and earthy tones. Its wrought iron frame is finished in sugar white to form a neutral base. From this extends hand-cut sprays of raffia that are cinched by three rows of pale hand-strung wood beads. When illuminated, light highlights the natural material and provides a soft glow. Perfect for a dining room or kitchen.

Shown in sugar white / natural
