Floris Color-Select Ceiling Light

By Currey & Company

Description

Like a rising sun, the Floris Ceiling Light radiates warmth and vintage charm. Its crown of stylized rays wraps the frosted glass drum, traveling outward and upward to the ceiling to form a cut out shade. A vintage brass finish adds a timeless touch. This fixture uses an integrated LED module that provides soft, even lighting. Features color-select technology which allows user to select between 2700K, 3000K and 4000K color temperature options.
