Tyrone Color-Select Ceiling Light

By Currey & Company

Description

The Tyrone Ceiling Light adds textural flair to a classic drum style. Its exterior is wrapped in recycled twisted paper, painted in natural, bright white. The black wrought iron finial and ceiling plate create a balancing contrast to the white. An integrated LED module provides energy-efficient illumination from behind a frosted acrylic diffuser. Features color-select technology which allows user to select between 2700K, 3000K, or 4000K color temperature options.

Shown in black / natural
