## Iris Round Multi Light Chandelier By Hammerton Studio

### Description

The Iris Round Multi Light Chandelier adds a refined, handcrafted elegance to your interior space. Each circular frame features a customizable band, allowing you to tailor the look to your personal space. A recycled glass diffuser adds depth and texture while casting soft, shimmering patterns of light throughout your room. Adjust each cable to create your own unique look. Note: Dimmable with Triac (standard) or Low Voltage Electronic Dimmers, sold separately. Choose a Finish for the canopy and frames and a Color for the inner band. Due to the weight of these fixtures, additional ceiling support is required.
