Iris Mobile Chandelier By Hammerton Studio

Description

The Iris Mobile Chandelier adds a refined, handcrafted elegance to your interior space. Each circular frame features a customizable band, allowing you to tailor the look to your personal space. A recycled glass diffuser adds depth and texture while casting soft, shimmering patterns of light throughout your room. Sloped ceiling adaptable to 25 degrees. Note: Dimmable with Triac (standard) or Low Voltage Electronic Dimmers, sold separately. Choose a Finish for the canopy, arms and frame and a Color for the inner band of the diffusers. Due to the weight of these fixtures, additional ceiling support is required.
