Hailstone Square Multi Light Chandelier By Hammerton Studio

Description

The Hailstone Square Multi Light Chandelier brings the natural beauty of a perfect raindrop to your interior space. This ethereal design fuses thick artisan hand blown glass, with a sculptural offset ceramic colored accent, casting warm shadows of light across your room. The result is an eye catching piece, wherever it is placed. Adjust each pendant to create you own unique look. Note: Dimmable with Triac (standard) or Low Voltage Electronic Dimmers, sold separately. Sloped ceiling compatible to 45 degrees one way. Due to the weight of these fixtures, additional ceiling support is required.
