Hailstone Linear Multi Light Pendant By Hammerton Studio

Description

The Hailstone Linear Multi Light Pendant brings the natural beauty of a perfect raindrop to your interior space. This ethereal design fuses thick artisan hand blown glass, with a sculptural offset ceramic colored accent, casting warm shadows of light across your room. The result is an eye catching piece, wherever it is placed. Adjust each pendant to create you own unique look. Note: Dimmable with Triac (standard) or Low Voltage Electronic Dimmers, sold separately. Sloped ceiling compatible to 45 degrees one way. Due to the weight of these fixtures, additional ceiling support is required.
