## Hailstone Swag Chandelier By Hammerton Studio

### Description

The Hailstone Swag Chandelier brings the natural beauty of a perfect raindrop to your interior space. This ethereal design fuses thick artisan hand blown glass, with a sculptural offset ceramic colored accent, casting warm shadows of light across your room. The result is an eye catching piece, wherever it is placed. Adjust each pendant to create you own unique look. Notes: Dimmable with Triac (standard) or Low Voltage Electronic Dimmers, sold separately. An included hook for each pendant allows you to create your own unique look. Sloped ceiling compatible to 45 degrees. Due to the weight of the 9 light and 12 light fixtures, additional ceiling support is required if hanging straight.
