Torno Mandrel Multi Light Chandelier By Hammerton Studio

Description

The Torno Mandrel Multi Light Chandelier adds a striking simplicity to your interior space. The round canopy holds capped frame pendants, each with a glowing cylinder featuring a ring of glass paired with a larger textured, ribbed ceramic ring. These elements diffuse a warm, ambient light that casts soft, inviting shadows throughout your room. Adjust each Pendant to create your own unique look. Note: Dimmable with Triac (standard) or Low Voltage Electronic Dimmers, sold separately. Sloped ceiling compatible to 45 degrees one way. Due to the weight of the 5 light fixture, additional ceiling support is required.
