Torno Stack Multi Light Chandelier By Hammerton Studio

Description

The Torno Stack Multi Light Chandelier adds a striking simplicity to your interior space. The round canopy holds stacks of large textured, ribbed ceramic rings. These elements diffuse a warm, ambient light that casts soft, inviting shadows throughout your room. *Note: Dimmable with Triac (standard) or Low Voltage Electronic Dimmers, sold separately. Due to the weight of the 25 light fixture, additional ceiling support is required.*
