Torno Mandrel Linear Pendant By Hammerton Studio

Description

The Torno Mandrel Linear Pendant adds a striking simplicity to your interior space. Its capped frame surrounds a glowing cylinder, featuring rings of glass paired with larger textured, ribbed ceramic rings. These elements diffuse a warm, ambient light that casts soft, inviting shadows throughout your room. Includes two satellite cable grippers. Note: Dimmable with Triac (standard) or Low Voltage Electronic Dimmers, sold separately. Sloped ceiling compatible to 45 degrees one way. Due to the weight of the 72.6 inch fixture, additional ceiling support is required.
