Fern Chandelier

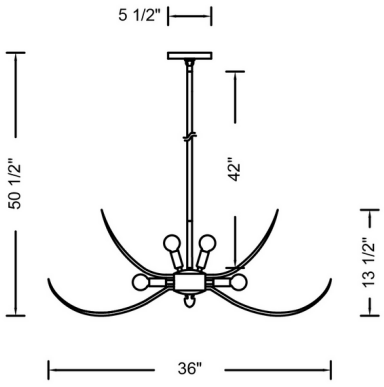

By Kalco

Description

Nature's elegance meets masterful craftsmanship with our Fern Chandelier. Inspired by the delicate curling of fern leaves, these fixtures harmonize organic form and refined artistry through their thoughtful, meticulous construction. Each leaf is individually hand-forged by expert blacksmiths, who twist, curl, and sculpt the metal to perfection, creating natural grace and warmth from the rigid material. Complemented by our Modern Gold finish, the warm diffused light of our Fern collection filters through each curl, provoking a feeling of sophistication and luxuriousness, all while staying rooted in nature.
