Spilla Color- Select Wall Sconce By Kalco

Description

Inspired by jewelry design, the Spilla low profile wall sconce is sure to captivate and intrigue. The ovals and circles overlap to create a beautiful display of visual tension with their simplicity and purposeful placement. The expertly crafted stainless steel frame finished in a Brushed Champagne Gold, coordinates well with the natural marble stone to add a soft touch to any environment. Features color-select technology which allows user to select between 2700K, 2900K, 3000K, 3500K and 4000K color temperature options.
