Description

inchInspired by the warm Autumn sun filtering through crispy, color-changing leaves, this chandelier introduces soft colors and lightness to any space. Numerous gold and pink tinted glass leaves feature a dual sided surface, where the front mimics the natural veining found in leaves, and the back adds extra light diffusion and glow through the sugar glass texture. The warm Brushed Champagne Gold finish ties everything together into a naturally inspired, sophisticated fixture family. inch

Shown in brushed champagne gold / multicolored
