Levels Color-Select Double Semi Flush Ceiling Light

By LedsC4

Description

The Levels Color-Select Semi Flush Ceiling Light is a living structure that expands and contracts in an organic play of structures, levels and densities. With three different finishes that are combined with glass with varying levels of opacity, the collection boasts an innate charisma that adapts easily to any space, whether it is turned on or off. Also features a color-select switch which allows users to select between 2700K, 3000K, and 4000K color temperature options.
