Crown Ceiling Fan with Color-Select Light By Modern Forms

Description

The Crown Ceiling Fan with Color-Select Light elevates luxury fan design with a sculptural alabaster diffuser and integrated, tunable LEDs that delivers both a 16 watt uplight and 30 watt downlight in perfect symmetry. Light glows through hand-carved stone, casting a radiant halo above and a soothing glow below. The 62-inch fan delivers over 7000 CFM on High with whisper-quiet DC efficiency. Features a color-select switch which allows user to select between 2700K, 3000K, 4000K, and 5000K color temperature options. Battery operated Bluetooth remote control with wall cradle and light kit included. Smart-enabled and damp rated, Crown blends comfort, illumination, and art: making it ideal for grand interiors and outdoor lounges seeking elevated ambience. Bluetooth remote control and light kit included.
