Radiant Ceiling Fan with Color-Select Light By Modern Forms

Description

Modern Forms sets a new design standard with the Radiant LED Ceiling Fan, a smart ceiling fan that redefines modern comfort through light, air, and artistry. Ambient up-lighting is seamlessly integrated into the design, marking a defining moment in ceiling fan innovation. Its advanced tunable LED system produces over 3000 lumens, creating a soft, architectural glow to illuminate the ceiling. Choose from an injection-molded acrylic, alabaster or K5 crystal, diffuser. The Radiant features a color-select switch which allows user to select between 2700K, 3000K, 4000K, and 5000K color temperature options. Battery operated Bluetooth remote control with wall cradle and light kit included.
