Chill Ceiling Fan with Color-Select Light

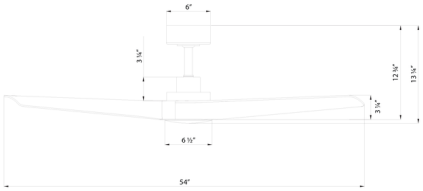

By Modern Forms

Description

Sleek, modern, and refreshingly simple, the Chill LED Ceiling Fan brings relaxed sophistication to everyday spaces. The 54-inch smart fan delivers smooth, quiet airflow with an energy-efficient DC motor and a 3600-lumen tunable LED light for versatile ambience. Wet rated for indoor and outdoor comfort, Chill offers balanced proportions, clean styling, and intuitive control. Designed for effortless living, it's the perfect blend of simplicity, technology, and modern design. The Chill features a color-select switch which allows user to select between 2700K, 3000K, 4000K, and 5000K color temperature options. Battery operated Bluetooth remote control with wall cradle, light cap and light kit included. Optional Bluetooth hardwired wall control sold separately.

Shown in matte black
