Halves Coffee Table

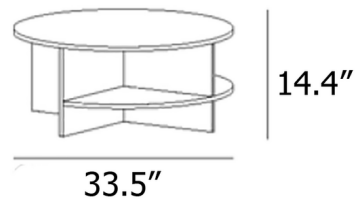

By Muuto

Description

The Halves Coffee Table offers a sculptural, statement-making silhouette suitable for both indoor and outdoor spaces. The table is crafted entirely from terrazzo with a circular tabletop and semicircular shelves around the base. With a neutral colorway and a pure, geometric expression, Halves will effortlessly blend into a wide variety of decor styles. Note: Terrazzo is made of stone pieces set within a cement matrix, leading to unique variations of color, pattern, and texture. When used outdoors, the material will naturally take on a weathered patina over time.
