Vesta Pendant

By Studio M

Description

The Vesta Warm Dim Pendant is inspired by the offering bowls in the temples of Roman deities. In this fixture, large metal shades disperse indirect light, scattering soft, ambient illumination from sides. An integrated Warm Dim LED shifts from soft 3000K down to a warm 2200K as you dim, perfectly mimicking incandescent lighting.

Shown in weathered brass

Specifications

COLOR	N/A
BODY FINISH	Weathered Brass
