Maclyn Chandelier By Schonbek Signature

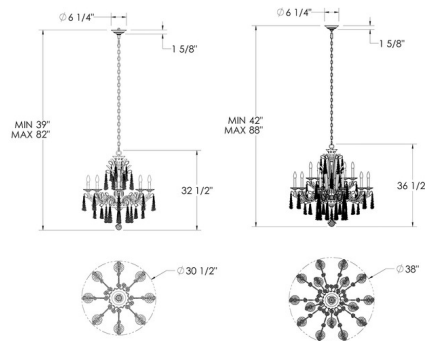

Description

The Maclyn Chandelier brings modern elegance with a touch of classic Bohemian style to your interior space. Cascading octagons in varying sizes drape like raindrops from gracefully curved arms, accented with mirrored metal leaves, creating a warm glow that casts intricate patterns of light throughout your room. Note: Due to the weight of the 38 inch fixture, additional ceiling support is required.

Shown in black / clear radiance crystal
