## Adley Wall Sconce By Schonbek Signature

### Description

The Adley Wall Sconce brings bold sophistication to your interior space. Its graceful, curving silhouette is adorned with shimmering crystal chains and teardrop accents that drape over the frame. Cantilevered arms, finished with square crystals, extend outward to hold luminous tapers set in pressed glass bobeches. The design flows into a refined downward curve, leaving space at the base for a striking faceted ball finial.

Shown in ferro black / clear radiance crystal
