Muse 2.0 Portable Table Lamp

By Tala

Description

Unleash the power of adaptable light with the Muse 2.0 Portable Table Lamp, a captivating design that blends classic lantern charm with modern technology. Muse 2.0 is an update to Tala's Muse series, providing longer battery life, faster charging time, and a wider range of Warm Dim color tones. This versatile luminaire offers unparalleled freedom, allowing you to bring its enchanting glow wherever it's desired from intimate indoor settings to expansive outdoor gatherings. Crafted with meticulous attention to detail, the Muse features a robust powder-coated aluminum base, elegant brass accents, and a clear borosilicate glass shade, ensuring both durability and a refined aesthetic. Its integrated cordless, long-life battery delivers up to 30 hours of continuous illumination, providing exceptional flexibility. Experience seamless control over your environment with the intuitive dimmer, which incorporates Tala's acclaimed Dim to Warm LED technology. This allows you to effortlessly transition the light from a bright, functional brilliance at 2800K to a warm, inviting ambiance at 1800K, mimicking the natural glow of a traditional incandescent. With an IP44 weatherproof rating, the Muse is built to withstand the elements, making it the perfect companion for any adventure.
