Arbor Pendant

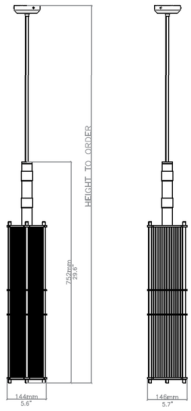

By Bert Frank

Description

Inspired by the grandeur of Art Deco design, the Arbor Pendant features an eye-catching linear form that will add a sophisticated accent to any space. Vertical acrylic rods run along the sides of the pendant to obscure the light source and create a warm, intimate glow. Whether installed on its own or in a group over a table or counter, Arbor will make an eye-catching statement.Note: The Overall Height from the ceiling to the bottom of the fixture is not field adjustable and must be specified to order, up to 60 inches. Please include your desired overall height in the Additional Instructions / Notes section during checkout.
