Conomavilla Color-Select Pendant

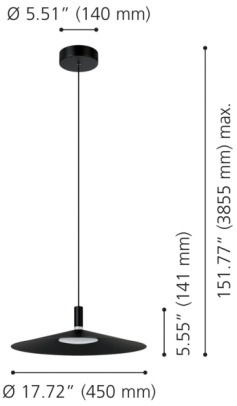

By Eglo

Description

The Conomavilla Color-Select Pendant is a bold statement that redefines contemporary hanging illumination. This 17-inch LED pendant light features a striking black metal shade that provides focused, downward glow, while a unique integrated LED ring positioned just above the shade casts a soft, ambient light upwards. This dual-directional design creates a sophisticated inchhalo inch effect, adding a layer of depth and visual interest to your space. Equipped with 3CCT LED technology ((3000K, 4000K, 5000K), it offers the versatility to select your preferred color temperature, making it a perfect blend of modern industrial style and advanced lighting performance.
