Conomavilla Table Lamp

By Eglo

Description

The Conomavilla Table Lamp brings bold flair to the tabletop, redefining the traditional task light with a modern industrial edge. This 18-inch LED table lamp features a striking black metal shade that provides focused downward illumination, while the signature integrated LED ring built in just above the shade creates a soft, sophisticated halo effect. Equipped with 3CCT LED technology (3000K, 4000K, 5000K), it allows you to easily adjust the color temperature to suit your task using the touch switch, from warm ambient light for reading to a crisp, cool glow for work. With its sleek silhouette and dual-glow design, this lamp is a functional piece of art for any desk, side table, or nightstand. Touch dimmer located on the lamp head. Includes 61 inch of cord for flexible lamp placement.
