Conomavilla Floor Lamp

By Eglo

Description

The Conomavilla Floor Lamp brings a commanding presence to your living space, standing as a sophisticated 59-inch statement piece. This LED floor lamp features a sleek black metal shade that provides directed downward light, while the collection's signature integrated LED ring is built in just above the shade to cast a soft, ambient halo effect. Equipped with 3CCT LED technology (3000K, 4000K, 5000K), it offers the flexibility to select the perfect color temperature for your environment using the touch switch. Combining a tall, minimalist silhouette with a unique dual-glow design, this lamp serves as both a functional light source and a striking modern accent for any corner, lounge, or office. Includes 90 inch of cord for flexible lamp placement. Touch dimmer located on the lamp head.
