Comareira Color-Select Linear Pendant

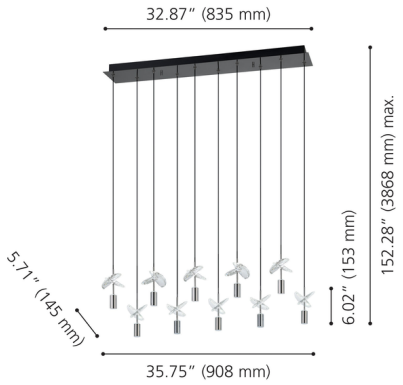

By Eglo

Description

The Comareira Color-Select Linear Pendant is a radiant composition of light and crystal. Suspended from an elongated black chrome canopy, slender cables support faceted clear crystal forms that refract and scatter light with brilliant clarity. The layered elements create movement and sparkle, casting subtle prismatic reflections throughout the space. Each semi-circular crystal accent can be individually rotated and adjusted, allowing you to customize the overall look and light play. With adjustable hanging height and 3CCT LED technology (3000K, 4000K, 5000K), Comareira delivers both striking presence and tailored illumination above dining tables or kitchen islands.

Shown in black chrome / clear

Specifications
